

Leading with Purpose

How do you build an organization that is sustainable and aligned with who you are as a leader? This session will help you discover what is fundamental to both you and your organization, understand why both passion and purpose are critical for leadership, and outline goals for you to lead with purpose.

Topics

- How leadership and purpose intersect
- Why purpose is a competitive advantage
- Discovering who you are as a leader
- Thinking systemically about your leadership
- Developing + articulating your vision
- Creating a purpose-driven team or organization

Outcomes

- Higher levels of awareness and emotional intelligence
- Better alignment throughout the organization around vision + purpose

Delivery Format

This session can be delivered as a one hour learning session, or as part of a half-day, or full-day planning retreat that would be customized for your team's desired learning outcomes.

Customized solutions can include:

- 360 Insights reports for individual team members
- Team & organizational insights collection and reports to inform strategic planning
- 1:1 executive coaching to transition from insights to action
